v.	No. 21-9528
UNITED STATES ENVIRONMENTAL	
PROTECTION AGENCY; MICHAEL S.	
REGAN, Administrator of the United	
States Environmental Protection Agency,	
Respondents.	
ORDER	

Before MATHESON, BACHARACH, and PHILLIPS, Circuit Judges.

This matter is before the court on Federal Respondents' *Motion for Vacatur and* Voluntary Remand. The motion concedes that the agency did not analyze determinative legal questions regarding whether Petitioners' (Sinclair Wyoming Refining Company and Sinclair Casper Refining Company (collectively, "Sinclair")) refineries qualified to receive extensions of the small refinery exemption under this court's controlling decision in Renewable Fuels Association v. EPA, 948 F.3d 1206 (10th Cir. 2020). Sinclair has filed a response stating that it does not oppose Respondents' motion.

Upon careful consideration, Respondents' unopposed *Motion for Vacatur and Voluntary Remand* is granted. We vacate the agency's decision and remand for further administrative proceedings consistent with this court's decision in *Renewable Fuels Association*.

A copy of this order shall stand as and for the mandate of the court.
