Agricultural Law Weekly Review - Week Ending April 16, 2021

COVID-19: Farmer to Families Food Box Program Ends; Fresh Produce Box Purchases and Dairy Donation Program Planned ✨ According to statements made by Secretary Vilsack posted to USDA's website on April 14, 2021, the Farmer to Families Food Box Program will be terminated at the close of April 2021 when the current funded vendor contracts end. On April 14, 2021, Reuters reported that USDA Communications Director Matt Herrick stated USDA is focused on different hunger initiatives, including expanding food stamp benefits and increasing food purchases through existing government food distribution programs. On April 9, 2021, USDA released a Pre-Solicitation Announcement [...]

Agricultural Law Weekly Review - Week Ending April 9, 2021

Antitrust: Court Approves \$58 Settlement in Peanut Class Action Suit ✨ On April 5, 2021, the U.S. District Court for the Eastern District of Virginia approved a \$58 million settlement agreement between the plaintiff peanut farmer Settlement Class and defendant peanut shellers Birdsong Corporation and Olam Peanut Shelling Company, Inc. in a civil antitrust class action suit alleging that the defendant companies over- and under-reported peanut inventories to the U.S. Department of Agriculture (USDA) to manipulate prices. In re Peanut Farmers Antitrust Litigation, No. 2:19-cv-00463. The approval follows the court's March 2021 back-to-back orders, absent accompanying explanatory opinions, approving the [...]

Tweets by @AgShaleLaw

A screenshot of two tweets from the account @AgShaleLaw. The first tweet, posted 1 hour ago, discusses shale gas production and price war, including a link and several hashtags like #ShaleLaw, #APIEnergy, and #oilandgas. The second tweet, also 1 hour ago, discusses Tyson Fresh Meats and US CattleTrace, including a link and hashtags like #MeatPoultry and #freshmeat. Below the tweets are options to 'Embed' and 'View on Twitter'.
