Re: *Adelphia Gateway, LLC*
Docket Nos. CP18-46-000, -001
Request for Notice to Proceed

Dear Ms. Bose:

On December 20, 2019, the Federal Energy Regulatory Commission (“Commission”) issued an order in Docket Nos. CP18-46-000 and -001 (“Certificate Order”), authorizing Adelphia Gateway, LLC (“Adelphia”) to acquire, construct, and operate certain pipeline facilities and for related authorizations (“Project”).¹ Adelphia filed its Implementation Plan for the Project on February 18, 2020.² On October 5, 2020, the Chief of Gas Branch 1 granted Adelphia a partial notice to proceed with construction of Adelphia’s Phase 1 Project components, as defined therein.³ Pursuant to Environmental Condition No. 9 of the Certificate Order, Adelphia hereby requests that the Director of the Office of Energy Projects issue approval to proceed with the construction of the remaining Project facilities by the earliest date practicable, including the (i) Parkway Lateral extending from the Marcus Hook Compressor Station and (ii) segment of the Tilghman Lateral extending from the interconnection with Transcontinental Gas Pipe Line Company, LLC (“Transco Meter Station”) to the interconnection with the Monroe Refinery and terminating at an interconnection with the Philadelphia Electric Company (“Phase 2 Project Components”).

Adelphia is including herewith the final Erosion and Sediment Control General Permit for Stormwater Discharges Associated with Oil and Gas Activities issued by the Pennsylvania Department of Environmental Protection. All other information required to commence construction of the Phase 2 Project Components was included in Adelphia’s Implementation Plan, as supplemented.

¹ *Adelphia Gateway, LLC*, 169 FERC ¶ 61,220 (2019), *order denying reh’g and stay*, 171 FERC ¶ 61,049 (2020).

² Adelphia supplemented the Implementation Plan on May 11, 2020, June 12, 2020, June 30, 2020, July 2, 2020, August 14, 2020, September 4, 2020, September 8, 2020, September 9, 2020, September 30, 2020, October 2, 2020, January 26, 2021, February 16, 2021, February 17, 2021, February 23, 2021, and March 30, 2021.

³ Partial Notice to Proceed with Construction for Phase I Construction Activities and Variance Approval, Docket Nos. CP18-46-000, -001 (Oct. 5, 2020) (letter order) (defining the Phase 1 Project components as including the: Quakertown Compressor and Meter Station; Marcus Hook Compressor Station; Tilghman Lateral from Milepost 0.0-0.4, including ATWS-TL-01.1, ATWS-TL-01.2, ATWS-TL-02, and ATWS-TL-03a; Transco Meter Station; Skippack Tap Valve; New Mainline Valves 1 and 2; and seven new blowdown assembly valves).

Ms. Kimberly D. Bose

Page 2 of 2

In compliance with Environmental Condition No. 9 of the Certificate Order, Adelphia hereby confirms that all applicable Federal permits and approvals necessary to commence construction of the Phase 2 Facilities have been received. Additionally, pursuant to Ordering Paragraph (E) of the Certificate Order, Adelphia is required to file a written statement affirming that it has executed firm contracts for the capacity levels and terms represented in the signed precedent agreements. Adelphia hereby states that it has executed firm contracts for at least the capacity levels and terms represented in the signed precedent agreements.

Should you have any questions concerning this filing, please contact the undersigned at (732) 938-1268.

Sincerely,
/s/ Ginger P. Richman
