Date: Thursday, June 10, 2021 8:18:12 AM

Dear Mr. Henkin,

Thank you for the comments you submitted on behalf of Earthjustice during the public comment period on the U.S. Environmental Protection Agency's draft Guidance Memorandum: [Applying the Supreme Court's County of Maui v. Hawaii Wildlife Fund Decision in the Clean Water Act Section 402 National Pollutant Discharge Elimination System Permit Program](#), which was signed as final on January 14, 2021. The agency is currently re-evaluating this guidance and is reaching out to certain commenters to invite you to participate in a meeting to provide additional input on the memorandum. The meeting will consist of a group of similar environmental stakeholders and will be one of a series the agency convenes to solicit input. We have scheduled this virtual meeting for Monday, June 21, 2021 1:00 PM-2:00 PM (UTC-05:00) Eastern Time. Mr. Santiago Roque of my staff will be following up with a meeting invite, please reply to his invite to let us know if you will be able to attend. The meeting will be via a Microsoft Teams meeting; I, and the staff who lead the agency workgroup overseeing this review, will facilitate the meeting.

Thank you and I look forward to hearing from you. Please let me know if you have any questions in advance of the meeting.
