INTRODUCTION

8

7

9 2. This action deals with a water bottle product by Defendant: ARROWHEAD
100% MOUNTAIN SPRING WATER ("the NESTLE Product"). At all relevant
times, Plaintiff bought the NESTLE Product from convenient stores and grocery
markets in Los Angeles, California, including Target, Costco, Hannam Chain,
Galleria Market, and Smart & Final.

14 3. The NESTLE Product is a bottled water line that Defendant manufactures,
15 markets, and sells.

When Plaintiff purchased the NESTLE Product bottles of various sizes 4. 16 including 355 mL, 500 mL, and 2.5 GAL, she did not read the backside of the 17 label. In the front label of the bottles, the statement of "ARROWHEAD 100% 18 MOUNTAIN SPRING WATER" was provided with the background picture of the 19 Arrowhead mountain and the lake in front of the mountain. Based on the 20 presentations in the front label, Plaintiff reasonably believed the NESTLE Product 21 was from the springs in the Arrowhead mountain. Plaintiff would not have 22 purchased the NESTLE Product bottles had she known that the spring water might 23 not be from the arrowhead mountain. Plaintiff would not have purchased the 24 NESTLE Product absent the misrepresentation depicted with the picture of the 25 label.

In the backside of the label of the NESTLE Product bottle, the source of
 spring water was not prominently placed thereon with such conspicuousness (as

28

| ¹ compared with other words, statements, designs, or devices, in the labelin | g), and is | | |
|--|---|--|--|
| 2 not opsily logihlo | | | |

| 4 information as: | | | |
| | | | |
| 6 SOURCES: SOUTHERN PACIFIC SPRING, RIVERSIDE | | | |
| 7 COUNTY, CA; ARROWHEAD SPRINGS, SAN BERNARDINO | | | |
| 8 PALOMAR MOUNTAIN GRANITE SPRINGS (PMGS), | COUNTY, CA; LONG POINT RANCH, RUNNING SPRING, CA; PALOMAR MOUNTAIN GRANITE SPRINGS (PMGS), | | |
| 9 PALOMAR, CA; DEER CANYON SPRINGS, SAN BERNARDIN COUNTY, CA AND/OR COYOTE SPRINGS, INYO COUNTY, | NO | | |
| 10 CA. | | | |
| 11 | | | |
| 12 The sources of the spring water include six (6) locations. Arrowhea | ad | | |
| Springs is one of them. | | | |

| Plaintiff's Reliance on Defendant's Unlawful, False, and Misleading | | | |

| 17 | | | |
| 18 7. Plaintiff read and relied on the misleading statements of ARROWH | | | |
| 19 100% MOUNTAIN SPRING WATER with the picture of the Arrowhead | | | |
| 20 mountain and the lake in the front label of the NESTLE Product bottle. | 6 1 | | |
| 8. Based on this reliance, Plaintiff believed the NESTLE Product was | from the | | |
| springs in the arrowhead mountain. | | | |
| 9. Plaintiff would not have purchased the NESTLE Product absent the 23 | 2 | | |
| misrepresentation depicted in the picture of the label. In fact, Plaintiff bought the NESTLE Product bottles which were product bottles wh | rohibitad | | |

| 3 (COMPLAINT) | | | |

11. By engaging in false and misleading marketing, Defendant reaped, and continues to reap, increased sales and profits.

³ 12. Defendant knows that the label of the NESTLE Product it markets is
⁴ material to consumer's decision to purchase the NESTLE Product.

5 13. Defendant deliberately cultivated the misrepresentations through its
6 marketing of the NESTLE Product bottles.

7 Plaintiff's claim is essentially that, because defendant's label on the 14. NESTLE Product bottles did not comply with state and/or federal requirements 8 regarding the source location, she could not see or did not understand the source 9 information, and therefore was misled by the unlawful packaging and purchased 10 the water bottles based thereon. Defendant's bottles are misbranded and 11 unmarketable. Plaintiff was misled as a result of the misbranding and suffered 12 economic injury because she purchased the products she otherwise would not have. 13 15. She would purchase the products as long as Defendant repairs the label 14 complying with state and/or federal requirements, or Defendant presents accurate 15 source location of the Arrowhead mountain. 16

18

16. Plaintiff brings this class action on behalf of herself and all other similarly situated consumers who purchased the NESTLE Product asserting claims under California's Unfair Competition Law, Cal. Bus. & Prof. Code §17200, *et seq*. ("UCL" or "§17200"); the Consumer Legal Remedies Act, Cal. Civ. Code §1750, *et seq*. ("CLRA"); the False Advertising Law, Cal. Bus & Prof. Code §17500, *et seq*. ("FAL" or "17500"); Unjust Enrichment/Breach of Quasi Contract.
17. Plaintiff seeks damages and equitable relief on behalf of herself and the

²⁶ Class, which relief includes, but is not limited to, the following: their monetary
 ²⁷ damages; restitution; refunding Plaintiff and class members the full amount paid

for the NESTLE Product; injunctive relief for an order enjoining Defendant from
 falsely marketing and advertising the NESTLE Product; punitive damages; costs
 and expenses, including attorneys' and expert fees; interest; and any additional
 relief that this Court determines to be necessary or appropriate to provide complete
 relief to Plaintiff and the Class.

⁶ 18. Plaintiff also seeks public injunctive relief that has the primary purpose and
⁷ effect of prohibiting unlawful acts that threaten future injury to the general public.
⁸ Class certification is not required for "public" injunctive relief under the UCL,

9 FAL, and CLRA. (see *McGill v. Citibank*, *N.A.*, 2 Cal. 5th 945 (2017).)

10

11 JURISDICTION AND VENUE

12

28

This Court also has original jurisdiction over this action under the Class 19. 13 Action Fairness Act of 2005, 28 U.S.C. § 1332(d)(2) ("CAFA"), as to the named 14 Plaintiff and every Class Member, because the proposed Class contains more than 15 100 members, the aggregate amount in controversy exceeds \$5 million, and Class 16 Members reside across the United States and are therefore diverse from Defendant. 17 The Court has supplemental jurisdiction over Plaintiff's state law claims 20. 18 pursuant to 28 U.S.C. §1367(a). Plaintiff has filed affidavits showing that this 19 action has been commenced in a proper county pursuant to Cal. Civ. Code 20 §1780(d). 21

21. This Court has personal jurisdiction over Defendant because it has
 significant minimum contacts with this State, and intentionally availed itself of the
 laws of California by transacting a substantial amount of business throughout the
 State and this District, including but not limited to, the promotion, marketing,
 advertising, and sale of the NESTLE Product throughout California and Los
 Angeles County, and on the Internet to consumers located throughout California
 and Los Angeles County.

22. Venue is proper under 18 U.S.C. § 1965(a), because Defendant is subject to personal jurisdiction in this District as alleged above, and Defendant has agents located in this District.

7 Plaintiff Connie Chong ("Plaintiff") is a resident of the state of California. 23. 8 At all relevant times since 2015, Plaintiff learned about the NESTLE Product when she saw the label of the NESTLE Product displayed in grocery stores in Los 9 Angeles, California, and the photos of the NESTLE Product bottle in the 10 advertisements in google website, and the NESTLE website, 11 https://www.arrowheadwater.com/products? ga=2.135381490.270589502.157698 12 5872-2131123486.1576985872#spring-water. Plaintiff purchased the NESTLE 13 Product in reliance on the Defendant's misleading labels and the advertisements. 14 On information and belief, Defendant NESTLE WATERS NORTH 24. 15 AMERICA INC. ("NESTLE" or "Defendant") is a corporation with its principal 16 place of business in Connecticut, 900 LONG RIDGE ROAD, BUILDING #2, 17 STAMFORD, CT 06902. 18 25. The true names and capacities, whether individual, corporate, associate, or 19 otherwise, of defendants sued herein as DOES 1 through 10 are unknown to 20 Plaintiff, who therefore sues the DOE defendants by such fictitious names. 21 Plaintiff will amend this complaint to show true names and capacities when they 22 have been ascertained. Defendants will refer to NESTLE and DOES 1 through 10. 23 Defendant deliberately cultivated the misleading statements through its 26. 24 marketing of the NESTLE Product. 25 //

NESTLE'S VIOLATIONS OF FEDERAL STATUTES AND REGULATIONS

3

1

2

⁴ 27. To prove a false advertising claim, a plaintiff must show a false or
⁵ misleading description of fact or representation of fact by the defendant in a
⁶ commercial advertisement about its own or another's product. NESTLE's
⁷ misrepresentation of the source of ARROWHEAD 100% MOUNTAIN SPRING
⁸ WATER in its label is sufficient to state the formal element of a false advertising
⁹ claim.

28. In the context of an unlawful-prong claim, a plaintiff must establish that a 10 defendant engaged in unlawful conduct, i.e., violated a federal, state or municipal 11 statute, ordinance or regulation, and that, as a result of the defendant's unlawful 12 conduct, the plaintiff suffered an injury in fact and has lost money or property. 13 The United States Federal Food, Drug, and Cosmetic Act ("FDCA") gives 29. 14 the U.S. Food and Drug Administration ("FDA") authority to promulgate 15 regulations to enforce the provisions of the FDCA. 21 USC § 371. The FDA has 16 promulgated regulations governing misbranding of food and providing that food is 17 misbranded if its label expresses or implies a geographical origin of the food or 18 any ingredient of the food except when such representation is either: (1) A truthful 19 representation of geographical origin. 20

30. The FDA published its final rule on bottled water on November 13, 1995. Beverages: Bottled Water, 60 Fed.Reg. 57,076 (Nov. 13, 1995). Responding to a comment stating that "it would be misleading if a country setting is shown on the label, including lakes or ponds, and the product is drinking water processed from municipal supplies via reverse osmosis systems [i.e., purified water]," the FDA responded:

7 (COMPLAINT)

26

21

22

23

24

25

FDA agrees that the use of certain graphics on a label of bottled water may be misleading to consumers if the source of the water is different than the source depicted or implied. *For example, a country setting on a label may mislead consumers into believing that the product is spring water when it is not.* Section 403(a) of the act specifically states that a food shall be deemed to be misbranded if its labeling is false or misleading in any particular. If a product is from a community water system, the label must clearly disclose this fact except as provided in § 165.110(a)(3)(ii)." *Id.* at 57,104 (emphasis added).
21 C.F.R. §101.18 (c) provides that: "Among representations in the labeling

of a food which render such food misbranded is any representation that expresses
 or implies a geographical origin of the food or any ingredient of the food except
 when such representation is either: (1) A truthful <u>representation of geographical</u>
 <u>origin</u>."

32. The FDA standard of identity imposes detailed requirements on the use of
the "spring water" nomenclature, including "the location of the spring." 21 C.F.R.
§165.110(a)(2)(vi). The FDA's spring water Identity Standard also includes two
labeling requirements. First, "the location of the spring shall be identified" on each
water bottle label. 21 C.F.R. § 165.110(a)(2)(vi). Use of the term "spring water"
on bottled water is regulated by the FDA. FDA regulations at 21 C.F.R. §
165.110(a)(2)(vi) specifically define the term:

"The name of water derived from an underground formation from which water flows naturally to the surface of the earth may be "spring water." Spring water shall be collected only at the spring or through a bore hole tapping the underground formation feeding the spring.

| 1 | There shall be a natural force causing the water to flow to the surface | |
|----|--|--|
| 2 | through a natural orifice. The location of the spring shall be | |
| 3 | identified. Spring water collected with the use of an external force | |
| 4 | shall be from the same underground stratum as the spring, as shown | |
| 5 | by a measurable hydraulic connection using a hydrogeologically valid | |
| 6 | method between the bore hole and the natural spring, and shall have | |
| 7 | all the physical properties, before treatment, and be of the same | |
| 8 | composition and quality, as the water that flows naturally to the | |
| 9 | surface of the earth. If spring water is collected with the use of an | |
| 10 | external force, water must continue to flow naturally to the surface of | |
| 11 | the earth through the spring's natural orifice. Plants shall | |
| 12 | demonstrate, on request, to appropriate regulatory officials, using a | |
| 13 | hydrogeologically valid method, that an appropriate hydraulic | |
| 14 | connection exists between the natural orifice of the spring and the | |
| 15 | bore hole." (Emphasis added.) | |
| 16 | | |
| 17 | 33. 21 U.S.C. § 343 provides that a "food shall be deemed misbranded" if, <i>inter</i> | |
| 18 | alia, it contains a "false or misleading label," § 343(a); if information required on | |
| 19 | the label is "not prominently placed" on the label in comparison with other words, | |
| 20 | § 343(f). | |
| 21 | 34. The misbranded products are in violation of section 403 of the Federal Food, | |
| 22 | Drug, and Cosmetic Act (the Act) [21 U.S.C. § 343] and its implementing | |
| 23 | regulations found in Title 21, Code of Federal Regulations, Part 101 (21 CFR 101). | |
| 24 | 35. 21 U.S.C. 331(a) prohibits the introduction or delivery for introduction into | |
| 25 | interstate commerce of any food, drug, device, tobacco product, or cosmetic that is | |
| 26 | adulterated or misbranded. | |
| 27 | 36. No state or political subdivision of a State may directly or indirectly | |

commerce: "any requirement respecting any claim of the type described in section 343(r)(1) of this title, made in the label or labeling of food that is not identical to 3 the requirement of section 343(r) of this title" (21 U.S.C. § 343-1(a) (5))

64. California Business & Professions Code §17500 prohibits various deceptive
 practices in connection with the dissemination in any manner of representations
 which are likely to deceive and/or mislead members of the public to purchase

1 2 **Fourth Cause of Action** 3 Violation of California's Consumers Legal Remedies Act, California Civil 4 Code § 1750 et seq. 5 (By Plaintiff Connie Chong, on Behalf of the Class) 6 7 70. Plaintiff re-alleges and incorporates by reference the above allegations contained in the paragraphs above as if fully set forth herein. 8 9 This cause of action arises under the Consumers Legal Remedies Act 71. ("CLRA"), Cal. Civ. Code §1750, et seq. Plaintiff is a consumer as defined by 10 Cal. Civ. Code §1761(d). Defendant's NESTLE Product constitutes "product" as 11 defined by Cal. Civ. Code §1761(a) and (b). At all times relevant hereto, 12 Defendant constituted "persons" as that term is defined in Cal. Civ. Code §1761(c), 13 and Plaintiff's and Class Members' purchases of the NESTLE Product constitute 14 "transactions," as that term is defined in Cal. Civ. Code §1761(e). 15 Defendant violated and continues to violate the CLRA by engaging in the 72. 16 following deceptive practices specifically proscribed by Cal. Civ. Code §1770(a), 17 in transactions with Plaintiff and Class Members that were intended to result or 18 which resulted in the sale of the NESTLE Product to consumers: 19 20 (a) In violation of Cal. Civ. Code §1770(a)(2): Misrepresenting the source, 21 sponsorship, approval, or certification of goods or services; 22 (b) In violation of Cal. Civ. Code §1770(a)(4): Using deceptive representations or 23 designations of geographic origin in connection with goods or services. 24 (c) In violation of Cal. Civ. Code §1770(a)(5), Defendant's acts and practices 25 constitute misrepresentations that the NESTLE Product in question have 26 characteristics, benefits or uses which they do not have; 27 28 21 (COMPLAINT)

1 (d) In violation of Cal. Civ. Code §1770(a)(7), Defendant misrepresented that the 2 NESTLE Product are of particular standard, quality and/or grade, when they are of 3 another; and 4 (e) In violation of Cal. Civ. Code §1770(a)(9), Defendant advertised the NESTLE 5 Product with the intent not to sell them as advertised or represented. 6 (f) In violation of Cal. Civ. Code §1770(a)(16), Defendant represented that "the 7 subject of a transaction has been supplied in accordance with a previous representation when it has not." 8 9 73. Defendant's representations misleading and in violation of the CLRA. 74. In addition, pursuant to Civil Code \$1780(a)(2), Plaintiff is entitled to, and 10 therefore seek, a Court order enjoining the above-described wrongful acts and 11 practices that violate Cal. Civ. Code §1770: 12 (1) enjoining Defendant from continuing to engage in the deceptive practices 13 described above; 14 (2) requiring Defendant to provide public notice of the true nature of the NESTLE 15 Product; and 16 (3) enjoining Defendant from such deceptive business practices in the future. 17 Plaintiff seeks *public injunctive relief* that has the primary purpose and 18 effect of prohibiting unlawful acts that threaten future injury to the general public. 19 Class certification is not required for "public" injunctive relief under the UCL, 20 FAL, and CLRA. (see McGill v. Citibank, N.A., 2 Cal. 5th 945 (2017).) 21 Plaintiff and the Class are also entitled to recover attorneys' fees, costs, 75. 22 expenses and disbursements pursuant to Cal. Civ. Code §§1780 and 1781. 23 76. Pursuant to section 1782 of the CLRA, Plaintiff is hereby notifying 24 Defendant in writing of its particular violations of section 1770 of the CLRA and is 25 demanding, among other actions, that Defendant cease marketing the NESTLE 26 Product as set forth in detail above and correct, repair, replace, or otherwise rectify 27 the NESTLE Product that are in violation of section 1770 as set forth in detail 28 22 (COMPLAINT)

¹ above. (Exhibit 1.) If Defendant fails to respond to Plaintiff's demand within 30
² days of this notice, pursuant to section 1782 of the CLRA, Plaintiff will amend this
³ Class Action Complaint to request, in addition to the above relief, statutory
⁴ damages, actual damages, punitive damages, interest, and attorneys' fees, pursuant
⁵ to sections 1780 and 1781.

<u>Fifth Cause of Action: Unjust Enrichment</u> (By Plaintiff Connie Chong, on Behalf of the Class)

10 77. Plaintiff re-alleges and incorporates by reference the above allegations
11 contained in the paragraphs above as if fully set forth herein.

12 78. Plaintiff brings this claim for unjust enrichment on behalf of the Class.

13 79. As a direct and proximate result of Defendant's acts set forth herein,

14 Defendant has been unjustly enriched.

80. As a result of Defendant's misleading labeling, advertising, marketing, and
sales of the NESTLE Product, Defendant unjustly enriched itself at the expense of
Plaintiff and the Class members, through Plaintiff's and the Class members'
payment of the purchase price for the products.

81. Under the circumstances, it would be against equity and good conscience to
permit Defendant to retain the ill-gotten benefits it received from Plaintiff and the
Class members, in light of the fact that the NESTLE Product that Plaintiff and the
Class members purchased were not what Defendant purported them to be. Thus, it
would be unjust or inequitable for Defendant to retain the benefit without
restitution to Plaintiff and the Class members for the monies paid to Defendant for
the NESTLE Product.

NESTLE WATERS NORTH AMERICA INC. 900 LONG RIDGE ROAD, BUILDING #2 STAMFORD, CT 06902.

SUBJECT: CONNIE CHONG v. NESTLE WATERS NORTH AMERICA INC.

Dear NESTLE WATERS NORTH AMERICA INC .:

Our law firm represents Connie Chong and all other consumers similarly situated in an action against NESTLE WATERS NORTH AMERICA INC. ("Defendant") arising out of, *inter alia*, misrepresentations by Defendant to consumers.

When Plaintiff purchased the bottles of "ARROWHEAD 100% MOUNTAIN SPRING WATER" ("the NESTLE Product"), she did not read the backside of the label for the source of the spring water. In the front label of the bottles, the statement of the NESTLE Product was provided with the background picture of the Arrowhead mountain and the lake in front of the mountain. Based on the presentations in the front label, Plaintiff reasonably believed the NESTLE Product was from the springs in the Arrowhead mountain. Plaintiff would not have purchased the NESTLE Product bottles had she known that the spring water might not be from the arrowhead mountain. Plaintiff would not have purchased the NESTLE Product absent the misrepresentation depicted with the picture of the label.

In the backside of the label of the NESTLE Product bottle, the source of spring water was not prominently placed thereon with such conspicuousness (as compared with other words, statements, designs, or devices, in the labeling), and is not easily legible. The backside label of the NESTLE Product bottle lists the source information as:

SOURCES: SOUTHERN PACIFIC SPRING, RIVERSIDE COUNTY, CA; ARROWHEAD SPRINGS, SAN BERNARDINO COUNTY, CA; LONG POINT RANCH, RUNNING SPRING, CA;

PALOMAR MOUNTAIN GRANITE SPRINGS (PMGS), PALOMAR, CA; DEER CANYON SPRINGS, SAN BERNARDINO COUNTY, CA AND/OR COYOTE SPRINGS, INYO COUNTY, CA.

The sources of the spring water include six (6) locations. Arrowhead Springs is one of them. The spring water of the NESTLE Product might not be from the Arrowhead mountain. The product was likely misbranded. Plaintiff bought the NESTLE Product bottles which were prohibited from introduction into commerce because they were misbranded. Plaintiff suffered damages in an amount to equal to the amounts she paid for the NESTLE Product bottles she purchased.
