IN RE BROILER CHICKEN ANTITRUST
LITIGATION

This Document Relates To:
*Commercial & Institutional Indirect
Purchaser Plaintiff Actions*

No. 1:16-cv-08637

Hon. Thomas M. Durkin
Magistrate Judge Jeffrey T. Gilbert

**ORDER GRANTING COMMERCIAL AND INSTITUTIONAL INDIRECT
PURCHASER PLAINTIFFS' UNCONTESTED MOTION FOR FINAL APPROVAL OF
THE SETTLEMENTS WITH DEFENDANTS AMICK, FIELDALE, GEORGE'S, MAR-
JAC, PECO, PILGRIM'S PRIDE, AND TYSON**

This Court has held a hearing on Commercial and Institutional Indirect Purchaser Plaintiffs' Motion for Final Approval of the Settlements with Defendants Amick Farms, LLC, Fieldale Farms Corporation, Mar-Jac,¹ Peco Foods, Inc., Pilgrim's Pride Corporation, George's,² and Tyson³ (collectively, the "Settling Defendants").

The Court, having reviewed the Motion, its accompanying memorandum, and the exhibits thereto, the Settlement Agreements, and all papers filed, hereby finds that the motion should be **GRANTED** as to the settlements with Settling Defendants.

NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

1. The Court has jurisdiction over the subject matter of this litigation, including the actions within this litigation, and over the parties to the Settlement Agreements, including all members of the Settlement Class (also referred to herein as the "Class") and the Settling Defendants.

2. For purposes of this Order, except as otherwise set forth herein, the Court adopts and incorporates the definitions contained in the Settlement Agreements.

3. Pursuant to Fed. R. Civ. P. 23(g), Interim Co-Lead Counsel previously appointed by the Court is appointed as Co-Lead Counsel for the Settlement Class as they have and will fairly and competently represent the interests of the Settlement Class.

4. Pursuant to Federal Rule of Civil Procedure 23, the Court certifies the Settlement Classes as found in the seven Settlement Agreements.

¹ The Mar Jac Defendants are Mar-Jac Poultry, Inc., Mar-Jac Poultry MS, LLC, Mar-Jac Poultry AL, LLC, Mar-Jac AL/MS, Inc., Mar-Jac Poultry, LLC, and Mar-Jac Holdings, Inc.

² The George's Defendants consist of George's Inc. and George's Farms. Inc.

³ The Tyson Defendants are Tyson Foods, Inc., Tyson Chicken, Inc., Tyson Breeders, Inc., and Tyson Poultry, Inc.

5. The Court further finds that the prerequisites to a class action under Rule 23 are satisfied solely for settlement purposes in that: (a) there are hundreds of thousands of geographically dispersed class members, making joinder of all members impracticable; (b) there are questions of law and fact common to the class that predominate over individual issues; (c) the claims or defenses of the plaintiffs are typical of the claims or defenses of the Settlement Classes; (d) the plaintiffs will fairly and adequately protect the interests of the Settlement Classes, and have retained counsel experienced in antitrust class action litigation who have, and will continue to, adequately represent the Settlement Classes; (e) common issues of law and fact predominate; and (f) a class action is superior to individual actions.

6. The Court hereby finally approves the Settlement Agreements and their terms and finds that said Settlements are, in all respects, fair, reasonable and adequate to the Settlement Classes pursuant to Rule 23 of the Federal Rules of Civil Procedure and directs consummation of the Settlement Agreements according to their terms and conditions.

7. The Court finds that the proposed Plan of Allocation, which proposes to pay putative Class Members in the Indirect Purchaser States⁴ and Connecticut for one settlement with qualifying purchases on a *pro rata* basis subject to weighting of purchase amounts by part, is fair, reasonable, and adequate. *See, e.g., Standard Iron Works v. ArcelorMittal*, No. 08 C 5214, 2015 WL 6165024, at *2 (N.D. Ill. Oct. 20, 2015) (“I find that the Proposed Payment Amount, calculated to pay each approved Claim on a pro rata basis, based on Approved Purchase Amounts, complies with the Plan of Allocation previously approved by the Court.”); *City of*

⁴ “Indirect Purchaser States” are those states that provide for damages claims by indirect purchasers, and include: Arizona, California, District of Columbia, Florida, Hawaii, Illinois, Iowa, Kansas, Maine, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Mexico, New York, North Carolina, North Dakota, Oregon, Rhode Island, South Carolina, South Dakota, Tennessee, Utah, Vermont, West Virginia, and/or Wisconsin.

Greenville v. Syngenta, No. 3:10-CV-188, 2012 WL 1948153, at *4 (S.D. Ill. May 30, 2012) (preliminarily approving settlement, and finding plan of allocation of benefits on *pro rata* basis as fair, reasonable, and adequate). *Pro rata* distributions are based on the number of approved purchases of during the Settlement Class period, a dynamic that ties recovery to each class member to the volume and type of its purchases. The Plan of Allocation does not unfairly favor any Class Member, or group of Class Members, to the detriment of others. The Court has approved the basic structure of this Plan of Allocation in connection with other settlements in this Action.

8. This Court hereby dismisses on the merits and with prejudice all Claims in the CIIPPs' action against the Settling Defendants, with each party to bear its own costs and fees, including attorneys' fees, except as provided in the Settlement Agreements.

9. The Releases in the Settlement Agreements are incorporated herein, and the Releasing Parties shall, by operation of law, be deemed to have released all Released Parties from the Released Claims. All entities who are Releasing Parties (as defined in the Settlement Agreements) or who purport to assert claims on behalf of the Releasing Parties are hereby and forever barred and enjoined from commencing, prosecuting, or continuing, against the Released Parties, in this or any other jurisdiction, any and all claims, causes of action or lawsuits, which they had, have, or in the future may have, arising out of or related to any of the Released Claims as defined in the Settlement Agreements.

10. The Released Parties are hereby and forever released and discharged with respect to any and all claims or causes of action which the Releasing Parties had, have, or in the future may have, arising out of or related to any of the Released Claims as defined in the Settlement Agreements.

11. The notice given to the Settlement Classes, including individual notice to all members of the Settlement Classes who could be identified through reasonable efforts, was the most effective and practicable under the circumstances. This notice provided due and sufficient notice of the proceedings and of the matters set forth therein, including the proposed settlement, to all persons entitled to such notice, and this notice fully satisfied the requirements of Rules 23(c)(2) and 23(e)(1) of the Federal Rules of Civil Procedure and the requirements of due process.

12. No objections to the Settlements were filed.

13. Any member of the Settlement Classes who failed to timely and validly request to be excluded from the Settlement Classes shall be subject to and bound by the provisions of the Settlement Agreements, the Released Claims contained therein, and this Order with respect to all Released Claims, regardless of whether such members of the Classes seek or obtain any distribution from the Settlement Fund. Persons/Entities who validly requested to be excluded from the Settlement Classes are listed in Exhibit A attached hereto.

14. Without affecting the finality of this Final Judgment in any way, this Court hereby retains continuing exclusive jurisdiction over: (a) consummation, administration and implementation of the Settlement Agreements and distribution to Settlement Classes members pursuant to further orders of this Court; (b) disposition of the Settlement Fund; (c) hearing and determining the application by CIIPPs for attorneys' fees, costs, expenses, and interest;⁵ (d) the actions in this litigation until the Final Judgment has become effective and each and every act agreed to be performed by the parties all have been performed pursuant to the Settlement

⁵ CIIPPs previously filed a motion asking for an award of attorneys' fees of 1/3 of the Settlement Fund plus interest and payment of \$10,407,499.62 in litigation expenses as well as incentive awards of \$15,000 to each of the named Plaintiffs. ECF No. 5404.

Agreements; (e) hearing and ruling on any matters relating to any plan of allocation or distribution of proceeds from the Settlements; (f) the parties to the Settlement Agreements for the purpose of enforcing and administering the Settlement Agreements and the releases contemplated by, or executed in connection with the Settlement Agreements; (g) the enforcement of this Final Judgment; and (h) over any suit, action, proceeding, or dispute arising out of or relating to the Settlement Agreements or the applicability of the Settlement Agreements, that cannot be resolved by negotiation and agreement.

15. The Settling Defendants have served upon the appropriate state officials and the appropriate federal official notice under the Class Action Fairness Act, 28 U.S.C. § 1715 (“CAFA”).

16. The Court finds, pursuant to Rules 54(a) and (b) of the Federal Rules of Civil Procedure, that judgment should be entered and further finds that there is no just reason for delay in the entry of final judgment as to the parties to the Settlement Agreements. Accordingly, the Clerk is hereby directed to enter this Final Judgment forthwith.

IT IS SO ORDERED.

1. In a handwritten note, Aubin's Butchering and Processing specifically requested exclusion from the Amick, Peco, George's, Pilgrim's, and Tyson's settlements.
2. In a March 2, 2022 letter to A.B. Data, counsel for The Kroger Co., Albertsons Company, Inc., Hy-Vee, Inc., Save Mart Supermarkets, and Pollo Operations, Inc. wrote that they do not believe that those entities are part of the CIIPPs' Mar-Jac Settlement Class. However, per their letter, they write that in an "abundance of caution" they request exclusion from the Mar-Jac settlement.
