Your Opportunity....Please go to your web and type in **North To Alaska by Johnny Horton...**

Then sing along with apologies to Johnny Horton and Mike Phillips

Way up north (north to Alaska)

Way up north (north to Alaska)

North to Alaska, we go north, the rush is on

I said North to Alaska, we go north, the rush is on

The CAMPers left their homes in the year of '24

With Fernando their partner, and Ms. Marquita too

They crossed the big old mountains and found the AGRI gold.

Below that old old city, just a lot southeast of Nome.

Tracy crossed the greater mountains

To the reindeer far below

She talked to her team of pilots

As they flew her through the snow

With the grizzly bears a waking

In the land of northern lights.

Yes, Tracy was a giant leader

In the agriculture fights.

Where the Campers are friendly,

And the talk is going to flow

North to Alaska

We are going north the rush is on

I said, North to Alaska

We are going north the rush is on

SEE EVERYONE THERE!

There may be a prize for the person who practices this song and is brave enough to lead the group in singing. — Jack H.
