

**UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF MISSOURI
SOUTHEASTERN DIVISION**

IN RE: DICAMBA HERBICIDES) 1:18-md-2820 SNLJ
LITIGATION) ALL CASES

JOINT STATUS REPORT

The Parties jointly submit this Status Report pursuant to this Court’s Order entered February 3, 2023 [ECF 640] to advise the Court as to the status of the MDL.

Active Cases in the MDL

In the Coy's Honey Farm Inc. case (1:21-cv-00089), a Case Management Order was entered on July 28, 2023 (ECF48).

There have been settlement discussions in the Flamm Orchard case (4:18-cv-01849) but no resolution. There are no pending motions or deadlines.

The Parties are not aware of any other cases in the MDL that are not otherwise addressed or covered by the Soybean Growers Settlement (discussed below).

Soybean Growers Settlement

There have been 323 soybean settlement claims approved, and there are currently 158 claims on appeal to the Appeals Master. The parties have been streamlining the work of the auditor to expedite finalization of the settlement. Monsanto is in the process of funding the Dicamba Claims Trust relating to those claimants whose appeal rights have expired. We expect settlement payments to claimants to begin in the ensuing months, and dismissals of related MDL cases would follow thereafter.

Respectfully submitted,

GRAY, RITTER & GRAHAM, P.C.
